

Instructions

This application is only to be used for Canadian freshmen and university/college undergraduate transfer students. Graduate, postbachelor and renewal admission processes require separate applications. The Office of Undergraduate Admissions can provide you with the appropriate form. For more information, call (313) 577-3577, fax (313) 577-7536, or e-mail us at admissions@wayne.edu. Applications and other admissions information may be downloaded from www.apply.wayne.edu.

Inquiries

All correspondence, admission applications and supporting documents should be addressed to Wayne State University, Office of Undergraduate Admissions, PO Box 02759, Detroit MI 48202-0759 USA. Other inquiries pertaining to US Immigration and Naturalization Services, US Border Crossing restrictions, health insurance, sources for Canadian student loans and scholarships, or employment on campus, should be addressed to the Office of International Students and Scholars (OISS), 42 W. Warren, 416 Welcome Center, Detroit MI 48202. Contact the OISS at (313) 577-3422 or www.oiss.wayne.edu.

All Applicants

- Complete the Undergraduate Admission Application for Canadians.
- Attach a check or money order for the nonrefundable \$50 (US funds) application fee. Make checks payable to "Wayne State University." Cash is not accepted.
- United States citizens living in Canada are not to complete this Undergraduate Admission Application for Canadians. Please complete the domestic Undergraduate Admission Application that can be downloaded at www.apply.wayne.edu, or contact the Office of Undergraduate Admissions for the appropriate application at admissions@wayne.edu or (313) 577-3577.

Wayne State University
Office of Undergraduate Admissions
PO Box 02759
Detroit, Mi 48202-0759
USA

Canadian Landed Immigrants

To be considered for admission as an undergraduate student, applicants must complete the pre-university educational program in their own country, including all provincial/national examinations required for university entrance. Students who have transferred to Canadian high schools, colleges or universities must list all previous institutions attended and submit their official transcripts, mark sheets or other appropriate records of all secondary and/or university-level coursework. The recording of one or more colleges' or universities' grades on the transcript of another institution does not meet this requirement. It is imperative that this office receives all official, attested or original documents indicating courses taken with final marks, examinations and diplomas/degrees. The information you furnish should be as complete as possible, since additional correspondence will delay the processing of your application.

Additionally, if you have taken any of the examinations listed on the application, it is your responsibility to ensure that the Office of Undergraduate Admissions receives all official scores.

Canadian Students' Admission Requirements

High School Students:

- Wayne State University will consider a combined 68 percent or better grade percentage average. A student must take a minimum of six U or M courses.
- Wayne State does not consider C courses. Students must take one U- or M-level English course each year they are in high school.
- Students with a grade percentage average between 62 percent and 67.5 percent can take the SAT (minimum composite score of 970) to gain admission. Otherwise, we do not require Canadian students to take these tests. SAT information can be found at www.collegeboard.com. Students intending to compete in any sport at the varsity level must complete the SAT in order to qualify for NCAA-sanctioned competition.

University/College Transfer Students:

- The transfer admission requirement for admission into the Fine, Performing and Communication Arts and Liberal Arts and Sciences curricula is a minimum of 12 transferable semester credits and a minimum cumulative grade-point average of 60 percent (or 2.0). Professional programs of study have up to two years or more of prerequisites and require higher percentages or averages for admission. Please refer to the section "Programs of Study and Contact Information" for additional information.
- Students must request that official transcripts from all prior institutions be sent to Wayne State University.
- If you are a transfer student taking coursework at the time admission is granted, please request that your institution mail an official transcript reporting the additional credits to Wayne State University, Office of Undergraduate Admissions, PO Box 02759, Detroit MI 48202-0759 USA.
- Transfer applicants with fewer than 12 transferable semester hours of college or university coursework should also submit an official high school transcript.
- Applicants on probation with a grade-point average of 2.0 or lower, or those who have been asked to withdraw from another college or university are required to wait one calendar year before applying for admission to Wayne State. At that point, the transfer admission requirements must be met.

Required Admission Documents

Please refer to the Undergraduate Admission Application for Canadians Checklist on the back page of this application packet.

English Proficiency Requirements

The following applicants are exempt from taking the Test of English as a Foreign Language (TOEFL), the Test of Written English (TWE) and the Oral Proficiency examination:

- Canadian citizens or landed immigrants whose native language is English.
- Applicants who have completed all

of their secondary or postsecondary education in Canada or another English-speaking country such as the United Kingdom, Australia, the West Indies or other countries as specified by the Office of Undergraduate Admissions.

For those applicants not meeting the above exemption requirements, English proficiency requirements are TOEFL with a minimum score of 550 and TWE and oral scores of 5.5 or more, IBT (Internet-based TOEFL) score of 79-80, and computer-based TOEFL with a minimum score of 213 and oral score of 5.5 or more. Applicants may also take the University of Michigan English Proficiency Exam (MELAB). The minimum MELAB score required for Wayne State admission is 85. For more information about the MELAB, contact the University of Michigan at (734) 764-2416.

French-speaking Canadians are required to present results of the TOEFL/TWE/Oral examinations. However, if academic credentials indicate different circumstances, exemptions are possible. For more information, contact the International Undergraduate Admissions Counselors at (313) 577-3577.

The TOEFL/TWE Bulletin of Information and Registration Form is available from many agencies, high school counselors and university counseling offices. If this information is difficult to find in your local area, visit www.toefl.org, or write to TOEFL, Box 6151, Princeton NJ 08541-6151 USA, or contact TOEFL by phone at (609) 921-9000.

Contact Wayne State University's Testing and Evaluation Office at (313) 577-3400 for instructions and registration information for the TOEFL exam. Students who have already submitted an application to Wayne State may contact the English Language Institute (ELI) at (313) 577-2729 regarding the institutional TOEFL/TWE/Oral exam.

University Application Due Dates

- August 1 — Fall semester (September-December)
- December 1 — Winter semester (January-April)
- April 1 — Spring/summer semester (May-August)

Applications received after the above due dates will be processed as quickly as possible. However, if an application cannot be completed for the preferred semester, a renewal application must be filled out and submitted. Canadian applicants with transcripts/mark sheets outside of Canada

are strongly advised to begin the process of application at least four months before the start of classes for the semester of interest. It is the applicant's responsibility to request official transcripts from all Canadian and non-Canadian secondary or postsecondary institutions attended.

Professional Programs

Applicants applying to professional schools, such as Pharmacy and Health Sciences, Nursing and Social Work, should note that there are additional requirements for admission consideration. In many instances, the professional school will require a supplemental application. Please contact the respective program for additional information and refer to the information listed in "Programs of Study and Contact Information" section of this application. Applicants who do not meet admission requirements for the professional programs may be eligible for admission into the pre-professional programs in the College of Liberal Arts and Sciences.

Financial Documentation of Support

Resident or commuting Canadian students must provide an official Statement of Financial Support showing the sponsor's willingness to pay for tuition, registration fees, books and supplies, and living expenses (if applicable) for the anticipated study period at Wayne State University.

Your ability or that of your sponsor to provide the needed funds must be verified by a third party such as a bank. Use the enclosed "Funding Statement" form or request a letter from your sponsor's bank indicating the name of the bank, the account number, the account holder's name with signature and the bank official's signature. It is advised that the student request two original copies of financial documents: one for the visa application and one to submit to Wayne State University.

Border-Crossing Documents for Part-Time Students

Landed immigrants are not allowed to be part-time students. USCIS regulations require these students enroll full-time (min. 12 credits fall and winter). Citizens of Canada are permitted to enroll as part-time students (min. six credits fall and winter).

Registration Procedures

The Certificate of Eligibility (Form I-20) accompanies the letter of admission with additional information about registration procedures. Under no circumstances should students cross the US-Canadian border without the Form I-20. If you misplace your Form I-20, please contact the OISS at (313) 577-3422 for a duplicate Form I-20.

All Canadian students who are admitted to Wayne State University must present the following items to the OISS prior to the beginning of classes:

- Form I-20
- Proof of Canadian health insurance
- Driver's license
- Proof of landed immigrant status (if applicable). Landed immigrants must obtain a student visa from the US Consulate office in Toronto. For more information, contact the OISS at (313) 577-3422 or www.oiss.wayne.edu
- Passport (if applicable)
- Proof of Canadian citizenship (for naturalized Canadian citizens)

Canadian Student Loan Program: Ontario Student Assistance Program (OSAP)

Most full-time Canadian students can use OSAP funding to study at Wayne State University. The student loan can cover 50 percent or more of the yearly tuition and book supplies in the United States. OSAP funding cannot be used as proof of funds on the Funding Statement. Information is available from OSAP at osap.gov.on.ca.

Housing

Wayne State University residence halls and apartments are conveniently located on the main campus or within walking distance from it. For more information, please contact the Wayne State Office of Housing and Residential Life at (313) 577-2116 for a preliminary housing application. Visit housing.wayne.edu for additional information.

Campus Tour

Campus tours are given Monday through Saturday during the fall and winter semesters. Reservations are required. For more information, call (313) 577-5560 or visit admissions.wayne.edu/campus_tour_res.php.

I certify that the statements I have made on this application are correct and complete. I understand that withholding information requested or giving false information on the application may make me ineligible for admission to Wayne State University and is grounds for dismissal.

Applicant's Signature

Date

A Personal Statement is optional. Use the space provided below for your statement. Attach additional sheets if necessary. High school guidance letters, if available, are also encouraged.

Instructions for Completing the Statement of Financial Support

Read the following instructions carefully before completing and submitting the Statement of Financial Support to Wayne State University.

Official sponsorship letters including details, terms and amounts of the award are to be attached to the Statement of Financial Support. This form must be completed and submitted along with an **original** funding statement or official letter of award from the sponsor as part of the admission process. **Photocopies of the documents are not acceptable.**

The United States Citizenship and Immigration Services regulations require that all international applicants demonstrate their ability to meet all living and educational expenses for the entire intended period of study in order

for the university to issue a Certificate of Eligibility (Form I-20 AB or IAP-66). For this reason, **this form must be completed and returned regardless of the source of funding.** If the applicant will be supported by personal and/or family funds, the reverse side of this form must be completed.

If the applicant is married and plans to bring the spouse and dependent children to the United States, additional funds are required to cover the expenses for the spouse and children.

The Office of Undergraduate Admissions of Wayne State University will not issue the Certificate of Eligibility (Form I-20 AB or IAP-66) until the applicant has received a positive admission decision.

If admitted, the applicant will need to prove to the United States Consulate Officer in the home country that there are sufficient funds to cover the first year of study. Therefore, we suggest that you request two original copies of all financial documents: one copy for you to keep and submit to the US Consulate and the other to send to us with the original application for admission.

Return this completed form to this address:

Wayne State University
Office of Undergraduate Admissions
PO Box 02759
Detroit MI 48202 USA

Application Checklist for Canadians

Students Applying from Canada:

- Official application and \$50 (US funds) application fee.
- Official academic credentials (transcripts) certified by a high school official or a university/college official. Credentials must bear the institution's seal and signature. Academic credentials must be mailed directly to Wayne State University. Non-certified copies or student copies are not acceptable.
- For transfer credit evaluation purposes, please submit copies of all course descriptions if courses are from countries outside of Canada.
- Transcripts from countries other than Canada must have certified English translations bearing official seal/stamp and signatures of the issuing institution along with the official transcript in the native language.
- Completed and signed Statement of Financial Support and Funding Statement no more than six months old. See I-20 Expense Requirements for appropriate Funding Statement amounts.
- English proficiency requirements are TOEFL with a minimum score of 550 and TWE and oral scores of 5.5 or more, IBT (Internet-based TOEFL) score of 79-80, and computer-based TOEFL with a minimum score of 213 and oral score of 5.5 or more. Test results cannot be more than two years old. **Refer to the English Proficiency Requirements section of this application for a further explanation.**
- If you hold a non-immigrant US visa (H1, B1, F1, TN, L1, etc.) you must include a photocopy of your current visa with the admissions application form.
- Copy of proof of citizenship or permanent residency. Acceptable documents include passport, birth certificate, citizenship card and/or permanent resident card.

Canadian Students Transferring from US Universities/Colleges:

- Request that all official transcripts be forwarded directly to Wayne State University from each institution attended.
- Contact an International Student Advisor to arrange for release of SEVIS status. A copy of the current I-20 should be sent to the Office of Undergraduate Admissions at Wayne State University.
- Other application information for Canadian students is the same as above.

Important: All bank documentation must be original. No photocopies are accepted.

Mail all documentation to
